

Student Dress Code

Cannon Hill State School is a **full-uniform school**. Students must wear the complete day uniform or sports uniform in accordance with school routines and this policy.

A '**Student Dress Code**' promotes a **safe** and **supportive** teaching and learning environment by...

Establishing a culture of school pride and high expectations along with a strong sense of belonging .	Fostering a mutual respect within the school by promoting social equality amongst all students.	Improving student safety by enabling ready identification of students and non-students at school.
--	---	--

We expect all students in our school community to support the accepted standard of dress when:

- Attending or representing their school;
- Travelling to and from school; and
- Engaging in school activities out of school hours, including school excursions

The 'Student Dress Code' guidelines below, outline standards of acceptable dress and also aspects of the personal presentation of students. This policy has been developed in accordance with the **Education (General Provisions) Act 2006 (Sections 360-363)** and the **Department of Education, Training and Employment's policy: Student Dress Code**.

DRESS CODE AT CANNON HILL STATE SCHOOL

Uniform

Uniform items are available for purchase from Hosikozi Clothing Company - 349 Riding Rd, Balmoral, QLD or CHSS P&C Second Hand Uniform Shop.

Please note:

- Students may wear either **full 'Day Uniform'** (formal) or the **full 'Sport Uniform'** any day of the week.
- In alignment with sun safe practices our school has a wide-brimmed or bucket hat for all students. Students **must** wear hats during outdoors activity. For easy identification of Prep students, they are to wear the white wide-brimmed hat.

Special Considerations:

- Our school understands and accepts that some cultures, religions, medical conditions and otherwise diverse individuals can have specific dress requirements or needs. Modifications to the uniform that comply with recognised cultures, religious values, medical conditions or neurodivergent needs such as sensory aversions, and any other parent request, need to be directed to the Principal for their consideration.

Speciality polo

Senior Year 6 commemorative polo shirt may be worn in place of school polo shirt. These shirts are ordered by parents at the beginning of Year 6 for their final year.

Relaxation of the Code:

- Relaxation of the Code will occur occasionally in circumstances such as free dress days, camps, dress up days, discos and other functions. The school will clearly communicate when this relaxation is applicable.
- On school 'Sport Days' students may wear 'running shoes' that may not comply with our day to day shoe attire expectations.

NON COMPLIANCE WITH DRESS CODE

Consequences for students not in correct uniform may include the following:

- Contact home to parents, after multiple occasions with incorrect uniform
- Students will be provided with the correct uniform to change into for the day
- No hat, no outdoor play (undercover play only)
- Prevention from any activity for which the student would have been representing the school

Persistent failure of a student to uphold the code may result in more serious consequences (as outlined in the Department of Education, Training and Employment's policy: Student Dress Code).

We understand that on rare occasions, due to circumstances beyond the control of the student and/or the student's parent some dress code items cannot be worn. In this instance, students must report to the class teacher or office and provide a note from home explaining the uniform breach and the period for which this will exist.
