

Cannon Hill State School

Independent Public School

8/05/2025

Dear Parent/Caregiver

Prep 2026 and new families to Cannon Hill State School in 2026 are invited to sign the attached **Student Resource Scheme ('SRS')** form. This scheme is a cost-effective way of providing students with the resources they need to engage with the curriculum.

As well as the Booklist resources that parents supply at the start of each year, the school purchases the additional resources, consumables and materials needed to support curriculum requirements.

The items required under this scheme are not funded by school grants – they are items that parents would otherwise be required to purchase individually at far greater expense. The SRS funds these purchases, providing cost savings through bulk purchasing. The SRS is not a fundraiser for the school, it's a scheme to help reduce the cost of schooling for our families.

What do I need to do?

- *Parents of students in Prep, and students who are new to the school,* are required to **complete and return the SRS Participation Agreement Form**.

Once families opt in, you do not need to complete another form each year. You can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

If you elect not to join the scheme please return your completed Participation Agreement Form and contact the office for more information about purchasing these resources outside of the scheme. You are still responsible for providing your child with the items covered under this scheme. The 2025 total for those items is over \$400.

This letter details the 2025 SRS cost and inclusions. Information regarding 2026 cost and inclusions is sent out in early 2026 to all families. Annual cost to families is not expected to change, and resource inclusions only change slightly each year.

The 2025 SRS amount is shown below. Items covered by the scheme are listed over the page. Changes to the SRS policy mean that swimming is no longer included and is funded by the school.

Year Level	Total Yearly Cost
Prep	\$85.00
Year 1 to Year 6	\$135.00

To join the scheme, please complete the attached Participation Agreement Form and return it to the school office. An invoice will then be emailed to you in 2026. Payment options are listed below:

BPOINT/CREDIT CARD – Click the link on the bottom left hand side of your invoice and follow the prompts to pay securely online with your credit card. Note - Cash payments are no longer accepted. Payment plans available, please contact office.

Thank you for your contribution towards this valuable scheme that supports cost-effective access to resources for our students. Please contact the office on 3902 3333 should you have any questions or to discuss payment options.

Kind Regards

Mark Smith
Principal

Student Resource Scheme - Participation Agreement Form

The Student Resource Scheme

The Student Resource Scheme (SRS) is a user-charging scheme operated by schools to provide parents with a mechanism to access individual student resources that are not funded by the government.

Government funding for schools does not extend to individual student resources and equipment for their personal use or consumption. Supply of these items, such as textbooks and personal laptops/iPads, is the responsibility of the parent.

The objective of the scheme is to provide parents a convenient and cost-effective alternative to individual supply of resources for their students. Participation in the SRS is optional, and no obligation is placed on a parent to participate.

Terms and conditions for participating in the scheme are provided on the reverse side of the form. Information is also provided on the Textbook and Resource Allowance (TRA) where applicable.

This Participation Agreement Form applies for the duration of a student's enrolment at the school, however parents who are participating in the scheme can choose to opt out from the SRS in future years by completing a new Participation Agreement Form. Any new Participation Agreement Form submitted annually and received by the school will supersede the previous form lodged.

Parents pay the annual participation fee in accordance with the selected payment arrangement. If a student joins the school mid-year, a pro-rata participation fee may apply.

Parents not participating in the scheme must provide their student with all items that would otherwise be provided by the scheme as detailed in the information provided by the school. Parents can choose to join the SRS in future years by completing a new Participation Agreement Form.

To assist schools in managing and administering the scheme, parents are requested to complete the Participation section of this form and return it to the school.

If parents have not completed and returned the form before the due date indicated by the school in the SRS Annual Parent Information documents, the school will take the view that the parent does not wish to participate.

For further information please see the 'parents and carers' site for general information on [School fees and charges](#).

Payment

On agreeing to participate in the SRS, a parent agrees to pay the participation fee as advised and invoiced by the school. For families experiencing financial hardship, please contact the school as soon as possible to discuss options available.

Terms and Conditions

Definition

1. Reference to a “parent” is in accordance with the definition in the *Education (General Provisions) Act 2006* and refers equally to an independent student.

Purpose of the SRS

2. In accordance with the Act, the cost of providing instruction, administration and facilities for the education of students enrolled at state schools who are Australian citizens or permanent residents, or children of Australian citizens or permanent residents, is met by the State.
3. Parents are directly responsible for providing textbooks and other personal resources for their children while attending school.
4. The SRS enables a parent to enter into an agreement with the school to provide the resources required for their child to engage with the curriculum for a specified annual participation fee.

Participation in the SRS

5. Participation in the SRS is optional and parents are under no obligation to participate.
6. The school will provide parents with a list of resources supplied by the SRS to enable parents to assess the cost effectiveness of participation.
7. Parents indicate whether or not they wish to participate in the SRS by completing this Participation Agreement Form.
8. Parents must complete and sign the Participation Agreement Form and return it to the school by the advertised date.
9. This agreement is for the duration of the student’s enrolment at the school, unless a new Participation Agreement Form is completed.
10. Parents are given the option annually to choose whether to participate in the SRS or not by completing this form.
11. Where a parent signs up to participate in the SRS they are agreeing to pay the annual participation fee for the items provided by the SRS.
12. Payment of the participation fee implies acceptance of the SRS including the Terms and Conditions irrespective of whether or not the signed form has been returned.
13. Where a student starts at the school during the school year, the parent may be entitled to pay a pro-rata participation fee to participate based on a 40-week school year.
14. Where a participation fee has been paid and a student leaves the school during the year, the school must determine if the parent is eligible for a pro-rata refund. This will also take into account any pro-rata of the Textbook and Resource Allowance (TRA) (see Additional Information regarding TRA eligibility) and any outstanding SRS debts (including any debts from damaged or non-returned items). Where the cost of outstanding debts is higher than the calculated refund, the parent is liable to pay this balance of funds.

Non-Participation in the SRS

15. Parents who choose not to participate in the SRS are responsible for providing their student with all items that would otherwise be provided by the SRS to enable their student to engage with the curriculum.
16. The school will provide non-participating parents with a list of resources the parents are required to supply for their child.
17. All items included in the SRS must be able to be independently sourced, purchased and supplied by parents who choose not to participate in the SRS.
18. As the SRS operates for the benefit of participating parents and is funded from participation fees, SRS resources will not be issued to students whose parents choose not to participate in the SRS.

The Resources

19. SRS funds received by the school will only be expended on student resources outlined in the school’s SRS and will not be expended on other items or used to raise funds for other purposes.
20. In return for payment of the participation fee, the SRS will provide the participating student with the entire package of resources for the specified participation fee. It is not available in parts unless specifically provided for by the school in the fee structure.
21. The resources, as determined and advised by the school may be:
 - retained by the student and used at their discretion; or

- used/consumed by the student in the classroom; or
- hired to the student for their personal use for a specified period of time.

22. All SRS resources hired to a student for their temporary use remain the property of the school. The resources must be returned by the agreed date or if the student leaves the school.
23. Parents are responsible for ensuring that any hired SRS resources provided for their child’s temporary use are kept in good condition.
24. The school administration office must be notified immediately of the loss or damage to any hired item.
25. Where a hired item is lost, not returned, or damaged, parents will be responsible for payment to the school of the value of the item or its repair.
26. The replacement cost of any resource may be up to the maximum value (subject to depreciation where appropriate) of the acquisition cost to the school.
27. Parents may be responsible for supplying their child with other resources not specified in the SRS as advised by the school.

Payment Arrangements

28. Payment of the participation fee may be made in whole, as per a nominated payment plan, or for another amount as approved by a Principal.
29. Payment of the participation fee must be made as per the payment methods nominated by the school.
30. Any concessions relating to the participation fee will be at the discretion of the Principal.

32. Parents experiencing financial hardship who are currently participating in or wish to participate in the SRS should contact the school to discuss options.
33. Principals may vary payment options, negotiate alternative arrangements and/or waive all or part of the participation fee for parents experiencing financial hardship.
34. The onus of proof of financial hardship is on the parent.
35. The school may require annual proof of continuing financial hardship.
36. All discussions will be held in the strictest confidence.

Additional Information

Textbook and Resource Allowance (TRA)

- The Queensland Government provides financial assistance to parents of students in Years 7 to 12, to offset the costs of textbooks and other resources. Assistance is provided in the form of a TRA which is paid through the school. Refer to the department’s website for current TRA rates <https://education.qld.gov.au/about-us/budgets-funding-grants/grants/parents-and-students/textbook-resource-allowance>.
- The TRA is used to offset the fees associated with participation in the SRS.
- Parents not participating in the SRS will receive the TRA as either a credit to the student’s account or as a direct payment from the school.
- Parents not participating in the SRS should contact the school directly if they do not automatically receive the payment.
