

Cannon Hill State School

Weekly bulletin – Term 1, Week 10

Friday 31 March 2023

Well, that was huge.

Thank you for your teamwork in supporting our students through a busy term of learning at school. We hope you are able to rest, relax, and enjoy some quality family time over the next two weeks.

In this bulletin, we'll take a look at our Week 10 *Cannon Hill Crows* celebrations, and share some details of events occurring early next term.

Once again, we recognise this term has been a lot for many in our community, and we appreciate your engagement. Thank you.

An update from the leadership team

Dear parents and carers,

Week 10

Cannon Hill crows

It was wonderful to see our students celebrating their community this week, with their 100-crows celebration and today's *Crow Day* excitement.

Thank you to the students, staff and families whose hard work has contributed to a community so worthy of celebrating.

Staffing changes

We would like to thank our inclusion team member Merryn Jooste for returning (after walking the Rainbow Serpent at the end of last year) to help us with this year's inclusion transitions. We sincerely wish Merryn all the best in her future endeavours – she has made a wonderful contribution to our village.

We would also like to thank Gary Herson for his service as a cleaner over recent years. Gary will be transferring his hours to his other (closer) school workplace. If Gary has slipped under your radar so far, it's perhaps because he's been so effective at helping to keep us all safe over a period where his role has been of particular importance. Thanks Gary.

And finally, just confirming as mentioned earlier, we are advised that Jonathan Gagen is scheduled to return to the principal role at the beginning of Term 3.

And we can confirm that Joy Pohlner will also remain on leave during Term 2. Thank you to the community members who have asked after Joy, we are confident she would appreciate your interest.

End of Summer Party

Thank you to our P&C, Cr Lisa Atwood and community partners for organising this afternoon's End of Summer Party fundraiser, which is starting at the park near Perrin Creek shortly.

The P&C could still use a couple more volunteers, if you're able to make it (the sign-up form is here: volunteersignup.org/YKKHH).

And thanks for all the chocolate donations our community contributed to support the P&C's lob-a-choc stall!

Holidays

We're sure we won't be the only ones hoping to enjoy a nice quiet sit down for a few days. We hope you have a wonderful break, and we'll look forward to seeing you again in Term 2.

Helen Butler

A/Principal

Aleisha Fahey

Deputy Principal

Helen Hunter

Head of Department (Curriculum)

We love to learn

Challenge all the time, thinking all the time

We don't give up: Nothing without work

We respectfully acknowledge the traditional custodians of Country and the land on which we learn, the people of the Jagera and Turrbul nations. We pay our respects to Elders past, present, and emerging.

What's happening at school next week?

School holidays

We hope you enjoy the next few weeks and have plenty of opportunity to spend some quality time together.

We may have some tradespeople on site over the break, and our Outside School Hours Care provider will be using some of our facilities at various times.

If you need child care over the holidays, you're welcome to get in touch with [Helping Hands](#). They have curated an [interesting program of vacation care activities](#) (PDF, 1.5MB) for this break.

School resumes on **Monday 17 April**.

Early next term

We hit the ground running early next term – here are a few things to be aware of for when we return...

School photos

Our school photo service provider (Leading Image School Photos) will be visiting on **Wednesday 19 April** to photograph our students and staff.

We'll provide more information about how to order images, via a Konnective over the holidays. Expect an online process involving

ordering and paying directly via the service provider, and (unless otherwise arranged) delivered via the school.

Whole school assembly

Our first whole school assembly for term 2 will take place on **Thursday 20 April** at 2.15pm.

If your child is to receive some form of recognition at this assembly, their teacher will try to let you know in the meantime.

Our deputy principal will be introducing our new SHARE reading dog program and adopt-a-cop program at this assembly.

Families are welcome to attend our assemblies.

No Breakfast Club until Week 2

At this stage, the Term 2 Breakfast Club program will begin in Week 2 (continuing on Tuesdays and Thursdays).

The P&C is still looking for a Breakfast Club Co-ordinator and other volunteers who might be up for helping out from time to time.

Breakfast Club is such a valuable resource for our students, we'd really appreciate it if you'd please consider putting your hand up. Please [email the P&C executive](#) if you're up for that.

No morning sport until Week 4

At this stage, our morning sport program for Term 2 will commence in **Week 4** and continue until the **end of Week 9**.

We are working to finalise details of a Monday morning golf option, and we can confirm that the Wednesday activity will be AFL.

Participation in both of these programs will be free, and we'll provide more details early next term.

On Friday mornings, there will be a paid-participation rugby league program ('League Stars'), provided by the NRL.

To register your child for League Stars, visit

bit.ly/LeagueStarsCannonHillSS.

PLAY LEAGUE STARS:

WHEN: 5/5/2023 - 16/6/2023

TIME: Friday 7.55am - 8.55am

WHERE: Cannon Hill State School
bit.ly/LeagueStarsCannonHillSS

**LEAGUE
STARS**

LEAGUESTARS.COM

PLAY
**LEAGUE
STARS**

The League Stars program appeals to the true nature of kids, in all their messy, high energy, love of fun and play. Each week, your child will participate in specially designed games that get them smiling and sweating.

League Stars kids have loads of fun with their friends, old and new, but the program delivers so much more. Each week they'll unlock more of their unique strengths, building physical, cognitive, social and emotional skills that will help them take on challenges big and small, now and in the future.

REGISTER FOR LEAGUE STARS

**LEAGUE
STARS**

Lunchtime Clubs

At this stage we hope to resume our first break activity program from Week 1.

We'll let students know the details ahead of the relevant break, and will include details in the calendar at the end of our next bulletin.

ANZAC Day

Our ANZAC Day commemoration will be on the Monday of Week 2 (**Monday 24 April, 9am**). Please join us, if you can.

This year is the 50th anniversary of the formal end of Australia's involvement in the Vietnam War, and our students have been preparing a presentation reflecting on the impact of that conflict on our school community.

Cross-country

The whole school cross country will be at the end of the second week back – **Friday 28 April**.

More to come on this, next bulletin.

Administrative matters

School watch

If you're in the neighbourhood over the break, please keep an eye out for anything unusual occurring on school grounds.

Please don't intervene yourself but report anything of concern to School Watch on 13 17 88. Or if there's an emergency situation unfolding, please call 000.

School chickens

Warm thanks to all the community volunteers who will be taking a turn at caring for the school chickens over the holidays: Brooke, Sarah, Renee, Kathryn, Krystle, and Luke. Much appreciated!

Contacting the office

Office closed over the holidays

The office will be closed over the holidays, so all phone calls will go to voicemail.

You are still welcome to [email us](#). However, please be aware that if our admin staff monitor email over the break, it's on a voluntary basis – we'll deal with all routine correspondence when we return.

Contacting team members

If you missed our earlier bulletins in which we shared direct email contact details, you can find them online.

Classroom teacher contact emails are in our [Week 3 bulletin](#) (PDF, 2.23MB), and the leadership team details (including contacts for behaviour incidents) are in the [Week 4 bulletin](#) (PDF, 3.16MB).

Contacts for our Inclusion team are in the [Week 9 bulletin](#) (PDF, 2.8MB).

Again, please be aware that our staff will be on leave too, so they may not respond right away.

Enrolments

We are still accepting **2023 enrolments** (including expressions of interest for out-of-catchment enrolments, which are subject to the principal's discretion).

We are also now accepting enrolments and expressions of interest for **2024** and beyond.

If you have kindy-aged children at home, please [email us](#) as soon as possible, if you're considering enrolling them here next year.

Finance

Student Resource Scheme (SRS) Invoices

On **Wednesday 1 March**, we issued invoices for this year's Student Resource Scheme. You can find a detailed explanation about what the SRS covers (and the savings the scheme affords to our families) in our Konnective dated **Thursday 2 March**.

And on **Monday 27 March**, we issued invoices for this year's Instrumental Music Student Resource scheme.

Payment is due by **Wednesday 31 May**, with prompt payment appreciated and encouraged.

Both invoices were emailed, so please check your junk mail folders if you haven't seen an invoice you're expecting.

Also, we've had a few questions about the 1 to 1 laptop scheme invoices. Families of participating students should have received the invoices for that on **Thursday 9 February**. The due dates for instalments relating to that invoice are as follows:

- 28 February - \$250;
- 14 March - \$250;
- 23 May - \$250;
- 1 August - \$250; and
- 24 October - \$156.

If you have any questions about our invoices, you can [email our Business Manager](#) for more information.

How to pay

[BPoint](#) is the department's preferred method of payment – we no longer accept cash and can only accept EFTPOS on **Wednesday** mornings (during term) between 8am and 9.30am.

If you don't have the ability to pay just at the moment, please [get in touch with us](#) to organise a payment plan.

Keeping us in the loop saves us precious follow-up time, and if you're experiencing financial distress, don't suffer alone – we can help connect you with support.

Facilities news

P-1 Playground

You might recall we mentioned in a previous bulletin that our Business Manager was working on a grant application for the renovation of our P-1 Playground.

We can confirm that the grant application has now been submitted. We expect to hear the outcome of the process in June. We'll let you know how we go!

School Council: call for nominations

Role of the School Council

All Independent Public Schools (including ours) are required to have a School Council to advise on matters of school culture and business.

You can find more information about the structure and role of our council [on our website](#).

Thank you to recent representatives

We would like to say thanks once again to our retiring School Council members Jess Jennings (parent representative) and Brooke Arseneau (non-teaching staff representative) for their two years' service. Their valuable contribution has been very much appreciated.

As these roles have fallen vacant, it's now time for us to appoint replacement representatives: Are you up for taking part?

Parent representative nominations

The role of the parent representative is to share perspectives of school parents on matters before the School Council.

They will obviously bring their own perspective, and will seek to also be aware of and communicate the views of other parents in the community.

There are two parent representative roles on the School Council, appointed for two years on alternate years. The longest serving parent representative becomes the School Council Chair for the second year of their service.

Parent Reference Group

This year, to help our parent representatives stay connected to what's top of mind for parents across the school, we would also like to trial the formation of an informal *Parent Reference Group* for the School Council, made up of one or two parents from each year group.

This group would meet for about an hour twice per term (once ahead of School Council meetings to provide parent voice on topics for discussion, then again afterwards to understand

outcomes and communicate these to the wider parent community).

As this is an informal group, these positions will not be elected. If there are more than 12 parents interested we will rotate parents through the reference group over the year (for example, each term).

If you are interested in volunteering for the *Parent Reference Group*, please email Ben Connell (current School Council Chair) at CHSCCouncil@gmail.com.

How to nominate for the parent representative role

The returning officer for parent representative nominations is School Council Chair Ben Connell.

To nominate, please email an expression of interest (accompanied by a bio and photo), to schoolcouncil@cannonhilss.eq.edu.au before close of business on **Monday 24 April**.

The election of the parent representative will take place at the next **P&C Meeting on Monday 8 May** (in the studio, located in the upper school classroom area, at 6.30pm), and all candidates must attend.

Anyone present in person at that meeting can vote (there is a prescribed, paper ballot). Votes will be counted on the night and the elected candidate will be announced at the meeting.

Candidates can call for a scrutineer (but must give the returning officer the scrutineer's name by close of business on **Wednesday 3 May**).

If you have an interest in matters of school business, this is a great opportunity to make a positive contribution to your community.

The School Council meets for around two hours each term, so the parent representative role commitment would involve attending those meetings, as well as the *Parent Reference Group* meetings referred to above.

Non-teaching staff representative nominations

Election of the non-teaching staff representative will take place at a staff meeting, and our team members will be advised of the nomination process shortly.

Teaching and learning at our school

Co-curricular activities

Here are shortcuts to more information about some of our current co-curricular and learning extension opportunities:

- **Morning sport:** Our before-school sport program is curated by our PE teacher on a term-by-term basis according to resourcing and interest. If you have coaching skills in a particular sport and would be interested in helping out with Morning sport, please [email Derek Heilbronn](#). Similarly, you could drop Mr H a line if your child is super keen for a particular sport to be included in this year's program.
- **Lunchtime clubs:** We run a series of free, supervised, engaging activities during first break play time every day. These too are curated term-by-term – popular recurring clubs have included Coding Club, Environment Club, Art Club, Dance Club, and Kitchen Garden club. Our staff usually facilitate each activity, although sometimes our Year 6 student leaders also develop and support additional clubs.
- **Nature play:** We are an accredited nature play school, and our students participate in activities that involve engaging with the natural environment during break time as well as during learning play. Nature play can take many forms, including caring for the school chickens, banks play, cubby

building, mud kitchens and physical challenges like tree climbing.

- **Chess Club:** every Friday after school, run by [Gardiner Chess](#).
- **Instrumental music and Music extension:** these are learning extension programs for older students – with a limited number of places available, we usually invite interested students towards the end of Year 3.
 - For more information about the **Instrumental music** program, please see [our 2022: Term 4 Week 4 bulletin](#) (PDF, 2.74MB).
 - For more information about **Music extension**, see our [2022: Term 4, Week 7 bulletin](#) (PDF, 2.38MB).
- **Private piano lessons** are available on school grounds (during class time) through an independent provider.
- **Competitions and challenges:** We have been partnering with families to facilitate participation by interested students in a range of learning extension activities. The [Premier's Reading Challenge](#), [Premier's Coding Challenge](#), [Queensland Science Contest](#) and [ICAS Assessments](#) are examples of some of the additional activities our students participated in during 2022. These activities have generally formed part of the suite of learning extension options we offer to students who have been formally identified as being conventionally gifted and talented. Our learning inclusion team tests all students at the end of Year 2 (using [CogAT](#)) to identify candidates for extension programs, but of course we welcome extension participation by any student who is up for a challenge.

If you would like to learn more about co-curricular learning opportunities to suit your child, please ask your child's teacher.

Similarly, if you become aware of another learning extension opportunity suitable for your child (or potentially, for other students as well) you're welcome to [bring it to our attention](#).

Once confirmed, details of various 2023 activities will appear in the [calendar](#) at the end of each bulletin.

Extension activity: Italian Calligram Competition

Here's a (slightly **updated**) message from our Italian teacher Signora Natalia about this year's Calligram competition, an extension activity our students are beginning in class (and may choose complete at home):

Buongiorno a tutti! Students from Years 2-6 may come home with their calligram (drawing made only with Italian words) as part of their preparation for the Queensland-wide Calligram Competition run by the Italian Language Centre.

Calligrams are pictures made from words only - rules are strict and there are to be no lines or colouring in. Each year level has their own little additional language rules over and above the theme of 'Set the table! let's eat!'. We have been reviewing these in class during Week 8.

*Entries are due back by Thursday 25 May (Term 2, Week 6). **Students just need to complete their entry and write their full name and class lightly in pencil on the back. They can deliver the entry to the office, place it in Signora's pigeonhole, or give it to Signora in class.** Signora will then choose the finalists (six from Year 5/6, six from Year 4/5, six from Year 3 and six from Year 2). These will then be sent away for final judgement. Happy creating!*

In bocca al lupo!

THEME: *Apparecchiamo - si mangia!*

CALLIGRAM COMPETITION 2023

- **No colouring in.**
- **No outlines.** Ensure any outlines are **ERASED** from calligram before submission.
- All words **MUST** be in Italian.
- Words **MUST** be clearly legible.
- Correct spelling of Italian words **MUST** be used. Judges penalise spelling mistakes.
- All entries **MUST** be on **A4 paper** and artwork **MUST** be large enough to fill the page.
- Entries **MUST NOT** be framed / **MUST NOT** be mounted on backing.
- Refer to **Terms and Conditions** to meet criteria of each category.
- Teachers **MUST** select and send **BEST 3** entries per Italian class.
- Attach **Entry Form** to the **back of each calligram**. Print student name clearly and accurately on entry form. Names on winning certificates are written as on your form. Certificates cannot be re-done.
- **ALL entries MUST be received by closing date 25 May** Late entries will **NOT BE ACCEPTED.**

JUDGES LOOK FOR:

- * Correct spelling
- * Clearly legible words
- * Creative use of Italian words to form shapes and texture
- * Colour variation of written words to create shading and highlights

Our students have had great success with this competition in the past, and we'd encourage you to support your child to complete their entry. It's a great optional activity to complete over the school holidays.

Learning support and inclusion

More about inclusion at CHSS

In our [Week 9 bulletin](#) (PDF, 2.8MB) bulletin, we included a bit of background about our approach to supporting student learning through inclusion, and the contact details for the team members responsible.

This week, we thought we'd provide a bit more context, as there's a lot going on in the inclusion space at the moment.

Equity and excellence

This year, the department launched our new blueprint for a progressive, high-performing education system, [Equity and excellence: realising the potential of every student](#).

We encourage interested families to explore the resources available on that website, which provide valuable insights into the evidence, consultation and thinking behind this initiative.

If you review that content, you'll see that everything we're doing locally is part of a much bigger vision, as we as a nation have *"committed to equity and excellence in education – that all children and young people are confident, creative lifelong learners active in their community..."*.

This is a statement which aligns very neatly with the values our local school community has held dear for a very long time, and we are excited to be contributing to a much broader, organised movement in support of the outcomes we want for our students.

There are a lot of productive developments in train, including reasonable adjustment resourcing for students with disability (which reduces the requirement on parents and carers to obtain additional medical or specialist reports).

Our school leadership and our inclusion team have been putting a huge effort into understanding and implementing the new blueprint at our school, and we look forward to sharing more of this journey with you next term.

Positive Behaviour for Learning (PBL)

These past two weeks, our staff and students have been reflecting on our PBL work this term, and workshopping areas of opportunity for refinement and improvement. Many students

have demonstrated very mature understanding of the aims of the PBL program, and have contributed valuable insights to inform our approach moving forward.

We will soon be sending a Konnective inviting our broader community to provide feedback, which will be gathered via an online survey.

Please keep an eye out for that message, and when it lands, let us know what you think is working (and any suggestions you might have for improvements).

We are grateful to have such an engaged community (rich with capable critical thinkers), so we're really looking forward to hearing your ideas.

Thank you in advance for your contribution.

Hearing and vision testing

As part of our inclusion work, we arrange hearing and vision screening for students.

Usually, the focus of this work is the Prep cohort, but we also are mindful of the needs of students in other year levels (particularly those who have joined us after completing Prep elsewhere).

Recently, we sent correspondence to the families of students in **Prep, Year 6** and certain new students regarding the hearing screening session that will take place on **Wednesday 3 May**.

If you received that correspondence, please take a moment to consider it, and if you wish your child to be tested, register with the service provider via the QR code provided by **Sunday 23 April**.

If you think you should have received the letter but can't locate it, you can [email our admin team](#) – just please be aware that they might not be able to respond until Week 1.

For students of all ages, our staff keep an eye out for signs that a fresh test might be prudent, and we ask parents to do the same. Please email your child's teacher if you have any concerns about your child's vision or hearing.

Recent events

Swimming success
Congratulations to Year 5 student Summer, who competed at the Queensland State Swimming Championships this week.

Summer was selected for 2 Metropolitan East (regional) team relays to swim on Sunday and swam well in both. Her freestyle relay split time was a new PB by 2 seconds! That's amazing!

Summer's team came 2nd in their freestyle relay heat but didn't place overall.

On Tuesday there were only seconds between everyone in her individual event heat but unfortunately, she didn't make the finals. She had a great experience though.

Summer has put in an extraordinary effort to achieve this level of sporting ability, and we are very proud of her.

Our school has a proud history of nurturing outstanding swimmers (including World Champion Hayley Lewis and Olympian Steve Holland). We look forward to watching Summer's career unfold, if she chooses to further develop her obvious talent in this area.

100 Crow ticket celebration

Yesterday, students who have reached 100 crow tickets participated in their choice of activity, including:

- Group game on the oval;
- Bluey binge in the music room; and
- Arts and crafts in the studio.

Participating students relished the opportunity to step out of their usual routine, which was both a lovely way to wind down ahead of the holidays, and a fitting acknowledgment to the effort students have put in to support each other's behaviour learning this term.

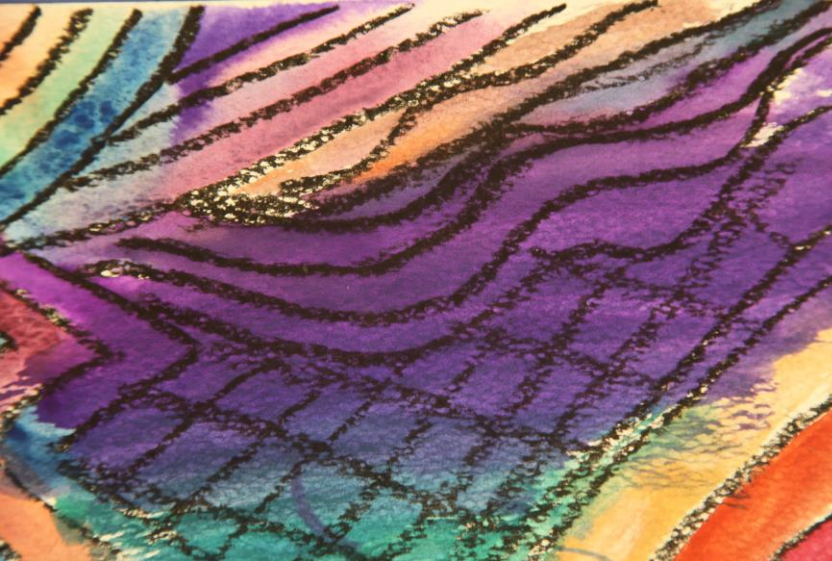

Crow Day

Here are some photos from today's *Cannon Hill Crows Day*, a special day of activities celebrating our school community and recognising the efforts all our students have put into their behaviour learning this term.

Thanks to everyone who came along – our students were delighted to see some parents and carers participating in the activities!

Coming up later...

Key dates for the 2023 school year

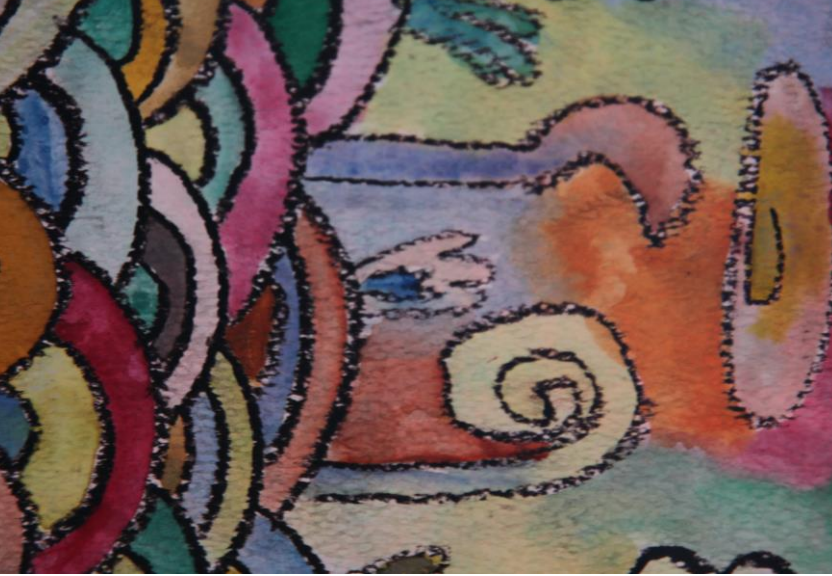

Here are the key upcoming event dates. Please see the [calendar](#) at the end of this bulletin for more regarding events occurring in the next four weeks.

- Term 2 begins: **Monday 17 April.**
- School photos: **Wednesday 19 April.**
- Whole school assembly: **Thursday 20 April, 2.15pm.**
- ANZAC Day assembly: **Monday 24 April, 9am.** All welcome.
- ANZAC Day public holiday: **Tuesday 25 April.**
- Beginner band workshop (Coorparoo State School): **Wednesday 26 April to Friday 28 April.**
- Cross Country (whole school): **Friday 28 April, from 12.30pm.**
- Whole school assembly: **Thursday 4 May, 2.15pm.**
- P&C meeting: **Monday 8 May.**
- P&C Mothers' Day stall: **Friday 12 May.**
- Whole school assembly: **Thursday 18 May.**
- P&C Working bee: **Saturday 27 May.**
- Whole school assembly: **Thursday 1 June, 2.15pm.**
- Open Morning: **Tuesday 6 June, 9.30am.**
- P&C meeting: **Monday 12 June.**
- Whole school assembly: **Thursday 15 June, 2.15pm.**
- P&C School disco: **Friday 16 June.**
- Term 2 ends: **Friday 23 June.**

- Term 3 begins: **Monday 10 July.**
- Whole school assembly: **Thursday 13 July, 2.15pm.**
- Whole school assembly: **Thursday 27 July, 2.15pm.**
- P&C meeting: **Monday 31 July.**
- Whole school assembly: **Thursday 10 August, 2.15pm.**
- Book week parade: **Thursday 17 August.**
- P&C Working bee: **Saturday 19 August.**

- Whole school assembly: **Thursday 24 August**, 2.15pm.
- P&C Fathers' Day stall: **Thursday 31 August**.
- Student free day (staff professional development): **Friday 1 September**.
- P&C meeting: **Monday 4 September**.
- Whole school assembly: **Thursday 7 September**, 2.15pm.
- P&C Colour fun run: **Friday 8 September**.
- Term 3 ends: **Friday 15 September**.

- Term 4 begins: **Monday 2 October**.
- Whole school assembly: **Thursday 5 October**, 2.15pm.
- Gregg Dreise visit: **Thursday 12 October**.
- P&C meeting: **Monday 16 October**.
- Whole school assembly: **Thursday 19 October**, 2.15pm.
- Whole school assembly: **Thursday 2 November**, 2.15pm.
- P&C Working bee: **Saturday 11 November**.
- Whole school assembly: **Thursday 16 November**, 2.15pm.
- Senior swimming carnival (TBC): **Thursday 16 November TBC**.
- P&C meeting: **Monday 20 November**.
- Junior swimming carnival (TBC): **Thursday 23 November TBC**.
- Whole school assembly: **Thursday 30 November**.
- Senior graduation dinner: **Friday 1 December**.
- Prep recognition awards: **Monday 4 December**.
- School year ends: **Friday 8 December**.

In conclusion...

That's it from the school for this week. The following pages are [Community notices](#) (including important messages from the **Cannon Hill State School P&C Association**).

Our next whole school bulletin is scheduled for Week 1 of Term 2.

The hero photos featured in this issue involve a selection of images from *Best of 2022*.

If you have any particular requests about content you'd like us to include in a future bulletin (including community notices or advertisements), please [email us](#).

Please take care of each other over the holidays, and try to stay safe on the roads if you're travelling. See you in Term 2!

P&C 2023 events survey

The Cannon Hill State School P&C is seeking feedback from our community on our events calendar.

We have prepared a short 3 question anonymous survey (link here: <https://forms.gle/1zq6fPw4JyuX2Uuz9>) seeking feedback on what events we should be hosting/targeting.

Now is the time to have your say so that we can be sure to be meeting the needs of our families. Thank you in advance!

Containers for Change

Are you participating in the Containers for Change recycling scheme?

Did you know you can send the profits from your 10-centers to your school P&C?

Here's our scheme participation code, if you'd like to donate your recycling income to a worthy cause.

Optional School Uniform Shirts

There is still time to order an Indigenous Alternate School Uniform Shirts. The cost is \$36.36 (includes an online payment fee of \$1.36).

These are available for purchase here:

<https://events.humanitix.com/chss-alternative-design-shirts>.

Payments are to be made only through this link - no cash sales or payment upon pick up is possible with this round of shirts.

We aim to keep this order open until the end of the holidays.

.

Co-curricular activities

The following Co-curricular activities are available to our students through external providers...

Piano lessons

Private piano tuition is available on site at our school every day, Monday to Friday. These are one-on-one lessons, provided mostly during school hours. To book, or for more information, [email Megan Stuart](mailto:Megan.Stuart), or text her on (0418) 787 563.

Chess Club

Term 1 Chess Club finishes on **Friday 31 March**. And we are pleased to confirm, this activity will be offered again during Term 2, with registrations opening up on the holidays – details below.

If your child is interested in participating, you can sign them up via the [Gardiner Chess website](#).

Please Note:-

Term 2

Registrations will open up during the holidays

School Chess Program at Cannon Hill State School 2023

Day & Time: Fridays 3.00—4.00pm

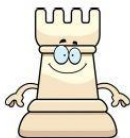

Venue: School Library

Cost per Term: \$114 per student

Start Date: Term 2 Friday 21st April—23rd June

Please collect your children promptly at 4pm from the library or late fees may apply

All Ages & Abilities Are Welcome!

To register and pay for your child/ren please go to our secure web site www.gardinerchess.com.au and under the School Coaching tab, click Parents and enter your child's school name. Select the relevant class, select students and proceed through the checkout process.

Please note that your registration for the class isn't complete unless payment has been received. Our term fee is for a minimum of 8 lessons. Once you have registered & paid please send your children along to the next scheduled lesson. For students starting part way through the term please contact our office directly to enrol on 07 5522 7221.

For full terms & conditions please visit our web site.

Official Partner of Chesskid.com

Gardiner Chess is excited to include a Gold Membership to ChessKid.com with all term enrolments!

Helping Hands

Outside school hours care

To arrange supervision for your child outside school hours, you can contact our Outside School Hours Care (OSHC) provider, **Helping Hands Cannon Hill** directly.

To book, you can use the [online form](#), [email Helping Hands](#), or phone (0475) 963 121. Please ensure you receive **confirmation** of your booking prior to depending on it.

Emergency supervision

School supervision begins at 8.30am, and green zone supervision ends at 3.15pm.

If you're running a little late for pickup (and haven't booked Helping Hands), please let the school office know so we can arrange for your child to wait with us.

The school office closes at 3.30pm.

Alternative school lunch program

Did you know that our local Friendly Grocer (on Molloy Road, Cannon Hill) provides an alternative school lunch option for our students each Friday?

Lunch orders are delivered to the school between 11am and 11.30am on Friday, and delivered to the relevant classrooms by student leaders for first break eating time. Place orders directly with the store, on (07) 3399 7628 before 6pm on Thursdays.

Environment Club veterinary support

Cannon Hill State School would like to thank the Morningside Veterinary Clinic for helping to care for our beloved school chickens.

Balmoral State High School - Music Academy Applications Now Open for 2024!

If you love playing an instrument or singing and are interested in being part of a likeminded community of musicians, then the Balmoral State High School Music Academy program is for you. We are now accepting applications for 2024 enrolments.

Fill out the application form and lock in your audition date! You do not want to miss out.

Live auditions will be held in Term 2 (**Wednesday 24 May**) and Term 3 (**Wednesday 16 August**).

Alternatively, we also accept video/USB submissions of audition material. Further details will be sent once your application is received regarding audition times.

Please get in touch if you have any further questions:

musicacademy@bshs.eq.edu.au

BALMORAL MUSIC ACADEMY

**The Balmoral Music Academy
is open to music students.**

The academy will extend and further develop your child's understanding of contemporary and traditional music styles through composition and performance. Students who sing or play an instrument are invited to audition. Registration of interest is essential to secure an audition.

Contact school for audition information.

**For more information please contact
Brienna Isokangas on 3823 8588 or email
musicacademy@balmoralshs.eq.edu.au**

Please nominate your preferred
audition option on the registration form.
